### INITIAL TEXT

#### (Introduction)

Hello, welcome to the initial text of the unit Waves. We're going to enjoy this new lesson!

*Let's start.*

Hi! We're George and Peter. We're penguins. We live in the New York Zoo. Our life isn't bad. We have free food, and we don't have to work.

The best of all is that we're famous. Every day people come to see us and take photos. We usually wear sunglasses for the photos.

We're not sure why we're famous, but our theory is that we are very handsome.

However, we have a problem. Life in the zoo is boring! Every day is the same. We don't have any adventure!

Besides that, we like surfing, but we can't surf in the zoo. It's too small, and there are no waves.

One day we decide to write a list of goals. We write two things. The first is that we want to have an adventure. The second thing is that we want to surf.

After writing the list, we decide that we have to escape from the zoo. We decide to go to Hawaii. It's perfect for surfing!

After many adventures, we finally arrive in Hawaii. There we can see the long and beautiful beaches. We are excited! We start surfing and relaxing.

Now we're not famous, but we're still incredibly handsome. No one takes photos of us, but we are happier.

*Very good. That is the end of this lesson. As always, try to listen to it many times. See you in the mini-story!*

# POINT OF VIEW

(improve your grammar)

*Welcome to the Point of View lesson of the unit Waves. I will tell you the story twice. In the past and in the future tense.*

*Now, in the past tense.*

Five years ago, you were living in the New York zoo. Your lives weren't bad. You had free food, and you didn't have to work for it. You were famous, and you usually wore sunglasses.

However, you weren't happy. You thought the zoo was boring.

You also wanted to surf, but you couldn't do it in the zoo. You wanted a change in your lives.

One day you decided to write a list of goals. You wrote that you wanted to have an adventure. You also wrote that you wanted to surf.

After writing the list, you decided to escape from the zoo. You chose a new place to go. You wanted to go to Hawaii. You thought it would be a good idea.

At first, you tried to swim towards Hawaii, but you got tired. Hawaii is very far away from the New York Zoo! Then you decided to go to Hawaii inside a box, by mail. What brave penguins!

You arrived in Hawaii, and you enjoyed the beaches. There you weren't famous, but you liked much more this new place.

*All right! Now in the future tense!*

However, you won't be happy. You'll think the zoo is boring. You'll also want to surf, but you won't be able to do it in the zoo. You'll want a change in your lives.

After writing the list, you'll decide to escape from the zoo. You'll choose a new place to go. You'll want to go to Hawaii. You'll think it will be a good idea.

At first, you'll try to swim towards Hawaii, but you'll get tired. Hawaii is very far away from the New York zoo! Then you'll decide to go to Hawaii inside a box, by mail. What brave penguins!
